4620 News Roundup

Let's help avoid leaks and floods in the building. Check the ceiling and walls throughout your unit periodically for evidence of water from above. Look underneath all your sinks regularly for leaks. You may save money, time, and energy when you catch these problems early. If you see any water damage, submit a request in BuildingLink. The 4620 maintenance team may be able to help.

Sept. 8 Ice Cream Social

Mark your calendar for Sunday, September 8, and plan to join your neighbors for 4620's third annual Ice Cream Social in the Party Room and adjoining patio. Come as you are for ice cream, cold drinks and baked treats. It's a fun way to say good-bye to summer and hello to neighbors old and new. Please help your Social Committee plan and RSVP on the clipboard at the front desk by Wednesday, September 4.
