Contributions can be made in cash, by check, or by using Zelle.

- Cash may be put in the Holiday Fund box on the reception desk in the lobby.
- Checks should be made payable to "Holiday Account/Lynn Nover." Please be sure your apartment number is also noted on the check.
- Checks should be submitted in a sealed envelope and addressed to "Lynn Nover, Apartment 707W" and left at the front desk.
- Zella payments can be made by sending them to (301) 512-9578 or lynniej58@comcast.net.

Please note that the Holiday Fund is not sponsored by the Board of Directors or the 4620 Condominium Association nor are they involved in the coordination, management, or distribution of the funds. It is the residents' fund, your fund, and only exists through your generosity.

Please pick up packages.

Our package volume is high this time of year. Please pick up your packages within 24 hours, if possible, so there is room for more packages. However, please also be aware that you should wait to pick up your package until you receive a notification from us. This will come after the carrier notification.

DONATIONS TO THE LIBRARY

Although we welcome donations of current books, the library has limited space so please limit your donations to two or three books published within the past ten years. It is a burden for our volunteers to dispose of miscellaneous books.

Application for Temporary Noise Waiver

The Department will receive comments on the application for a minimum of ten (10) days after distribution of this notice.

The Temporary Noise Waiver is being requested by Traffic engineering Service LLC on behalf of Diggin & Rigging, Inc., 6037 Buffalo Rd, Mt. Airy, Maryland. A large mobile crane will be on Hills Plaza Road behind 5454 Wisconsin Ave, Chevy Chase. The work requires the partial closure of the northbound lane of The Hills Plaza and will be done after-hours to minimize impacts to residents, pedestrians, businesses, and vehicle traffic.

The work is scheduled to occur on December 14, 2024, scheduling and weather dependent.

The application and related documents are available for public inspection and may be viewed on the Department's website by visiting the Noise Waivers & Suppression Plans [page](#).
